FOREIGN TOUR JAPAN

► Foreign Tour Japan

# TENNIS

Give your Team a boost by  
coming to Japan before the  
season starts!

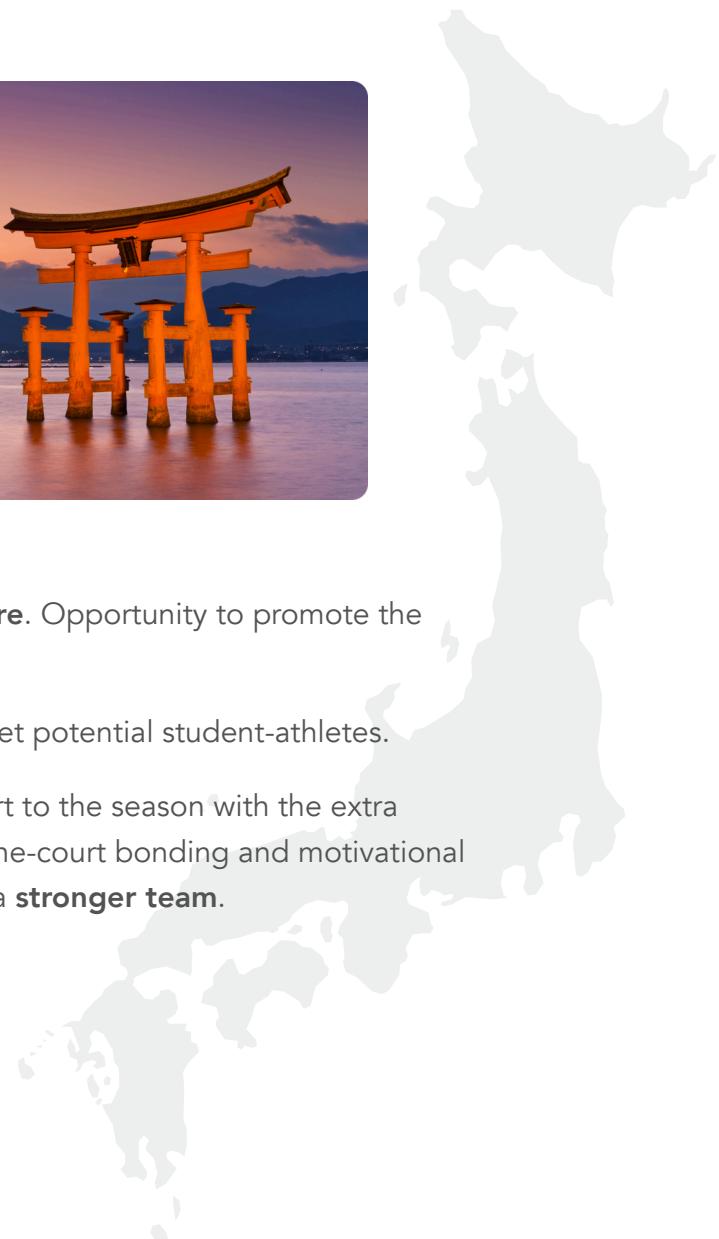

# Benefits of the Tour

- Create **team building**. Bond on and off-the court by getting together in a new and different environment.
- **Evaluate new players** in competition. Learn what you have in the team to get a good jumpstart on the season.
- **Try different lineups**. By playing friendly matches, analyse and foresee where the players will fit in the lineup.
- **Get to know another country** and its culture. Create lifetime memories.

- **International Team exposure**. Opportunity to promote the university in other countries.
- **Recruiting advantages**. Meet potential student-athletes.
- Gain an invaluable head start to the season with the extra court time, competition, off-the-court bonding and motivational experience. A closer team is a **stronger team**.

# Why Japan?

## Japan is a Tennis Powerhouse.

The strong tennis culture and work ethics has seen arise top ATP/ITF and college players in the last few years.

You will have the opportunity to compete against top high school players and university players from Japan.

Immerse yourself in one of the most fascinating and multifaceted cultures of Asia.

Japan will give you an experience like no other country.

Enjoy the amazing variety of the Japanese cuisine. Discover why the gastronomy of Japan is one of the best cuisines in the world.

Come see golden temples, ancient castles, shrines, samurai houses, tranquil zen gardens and Geishas.
