FOREIGN TOUR SPAIN

Foreign Tour Spain

TENNIS

Give your Team a boost by coming to Spain before the season starts!

Benefits of the Tour

- Create **team building**. Bond on and off-the court by getting together in a new and different environment.
- **Evaluate new players** in competition. Learn what you have in the team to get a good jumpstart on the season.
- **Try different lineups**. By playing friendly matches, analyse and foresee where the players will fit in the lineup.
- **Get to know another country** and its culture. Create lifetime memories.
- **International Team exposure**. Opportunity to promote the university in other countries.
- **Recruiting advantages**. Meet potential student-athletes.
- Gain an invaluable head start to the season with the extra court time, competition, off-the-court bonding and motivational experience. A closer team is a **stronger team**.

Why Spain?

Spain is a **Tennis Powerhouse**.

Spain has dominated the different European competitions more than any other European country in the last decade.

You will have the opportunity to train on **red clay courts**, the most popular surface in Europe, at top tennis academies like the **Rafa Nadal Academy** or the **BTT Academy**, as well as unique emblematic world renowned clubs as **Real Club de Tennis Barcelona 1899**.

Discover some of the best **art**, most stunning **architecture** and cultural **influences** in Spain.

Wherever you go you cannot help becoming immersed in the country's culture.

Enjoy the amazing variety of the **Spanish cuisine**. You will discover why the gastronomy of Spain is one of the best cuisines of the world.

Spain leads the way when it comes to **beautiful beaches**. Enjoy the nicest beaches around Mallorca and Barcelona.
